Dear Ray,

I apologise that it has taken us so long to get in touch with you but it has taken a while to get back to reality as you can imagine. We would like to thank you greatly for making our day a day to remember. The music in the church was a major talking point for everyone throughout the day, and still is. If I got a euro for everytime I was asked who you were, where you were from, I would be a millionaire by now.

The music set the scene beautifully and made the mass very special for the both of us, and everyone in the church. We got the DVD of the day last week and the music sounds just as perfect on that. I would have loved to have met you on the day but with all the going it was not possible. We hope you all enjoyed the mass as much as we did.

Thanks again Ray for coming all the way from Limerick and helping to make our day 'the best day of our lives'.

Take care, have a wonderful Christmas and an even better New Year.

Kindest Regards,
Robert & Brenda.
